

WHAT'S HAPPENING AT HARESIDE?

Sept 20th 2022

School Dinners Promotion

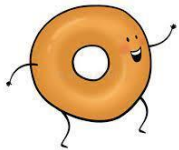

We are looking forward to lots of children hopefully trying school dinners for the first time on Thursday next week. We promise we will not let them go hungry if they don't like it - our kitchen staff are amazing and will find something for them no matter how long it takes! Please encourage your child to try as it is only £1. Every child who takes a school dinner will receive a small envelope. Inside 6 of them will be a golden ticket. If they get a golden ticket they will get a prize!

Water bottles

Please note: we are a healthy school and promote healthy living to our children. We do not allow energy drinks in school. Lots of our children have come in to school with a new drink "Prime". Having discussed it, we do not feel it is appropriate for school. Please send your child with water to hydrate them. If children do bring in these drinks the teacher will keep it until the end of the day and provide water in its place. We hope you understand and support our drive to help our children be healthy both now and in the future.

Breakfast Bagels

If you'd like your child to have a bagel for breakfast please complete this form... free to all those who need it!

Parent Information Evenings – don't forget!

5th October 2022 Parent Information evening (how to support your child to be successful in their learning this year – children should not attend this evening if possible) Come along and hear all about your child's new class, how you can support their learning this year and meet their teachers too!

Vacancies

We are delighted to announce that two of our teachers are expecting babies next year! Mrs Sutton in Reception and Mrs Nash in the Hop In. I am certain that you will be pleased for them too but may have worries about what this means for your child. We are currently advertising the posts and will take great care to cover their absence with teachers who are just as brilliant. Neither will be leaving before Christmas so please do not worry.

We are also looking for some additional teaching assistants and dinner supervisors. If you are interested, or you know anyone who might be, please see our website.
