

HAPPENING AT HARESIDE...

School information and news

Top Tip:

If your child is finding it difficult to come into school, why not give them something small of yours (e.g. a key ring) that they can keep in their locker or drawer. It can help them feel more secure. Please don't give them anything valuable or irreplaceable as these things can get misplaced!

SCHOOL UNIFORM

Please remember that dresses, pinafores and skirts are not part of our school uniform. This is because the children move seamlessly (without changing) between classroom activities and physical activities. Please ensure all children wear white polo shirts, green school sweatshirt or cardigan and trousers, leggings or shorts at all times. Black trainers not shoes on feet please!

Earrings and jewellery:

It is important that all children follow our school rule of no earrings or jewellery. This is for health and safety reasons and is a rule at High School too. When your child can read the time, watches may be worn.

Thank you for your support and understanding.

Welcome back !

We hope you have all had a fantastic summer and are now making the most of the sunny weather we all missed. The children have been brilliant today, settling well into their new classes and enjoying the sun safely too.

Making the most of the sunshine and our new Hop In yard!

Quote of the day...

" It's really great to be back in school because I get to see my friends and I have a new class which is brilliant!"

Mason, Year 5

Gymnastics club starts this Thursday at 5:15pm!

CCTV

Over the summer we have added to our CCTV surveillance and it now covers most areas internally. It records visual and audio footage which may be used for health and safety reasons. We will be issuing a CCTV policy and protocol which will be available on our website once it has completed the consultation process.

ATTENDANCE IS SO IMPORTANT...

Please do help us get the best outcomes for your children by ensuring they are in school every day on time. Sickness and diarrhea bugs – 48 hours after last symptom is vital to prevent spread.

PARKING:

Please respect our neighbours and park your car in the park and stride designated areas. Lancaster Road is the closest and easiest with a short walk to school.

Please do not park in the road approaching school (Hareside) as emergency vehicles need access at all times.

For those who have blue badges or require temporary access with cars due to exceptional circumstances, please use the car park at the Hop In or park with care and respect.

We are aware that the police will be doing random checks and don't want anyone to be caught out in those circumstances.

Thank you for your support with this.
