A child cannot normally be considered for admission until the term following their third birthday.

If a nursery place is offered, the following conditions will apply:

1. There is no statutory right to a nursery place. If the places are oversubscribed, the school will apply its own admissions criteria to determine which children to admit. If a child cannot be offered a place, there is no right of appeal against that decision.

2. A child will complete the nursery course and remain in the nursery class until he/ she is eligible to transfer to full-time provision in a Primary School (this requirement may be waived if, for example, parents move house and it is no longer reasonable for a child to continue to attend this nursery).

3. The time for transfer from a nursery to a Primary School is at the beginning of the Autumn Term if the child is four by 31st August.

4. Once the child is admitted to nursery, regular attendance is expected.

Although we cannot guarantee you will get your preferred session, we will try to accommodate your request. Please tick the appropriate box below.
